To Whom It May Concern:

This is to notify you that on May 15, 2000, NuVim, Inc. began distribution of a dietary supplement under the trademark NuVim. This notification is provided in accordance with the requirements of 21CFR 101.93 and contains the information required by that section of the regulations.

1. The name and address of the distributor of the dietary supplement is that set forth in the heading of this notice.
2. The text of the statements that are being made is as follows: Helps build strong total immune system, supports muscle flexibility, promotes sturdy joints. Delivers micro-nutrients to help build the total immune system. Provides nutrients to help build sturdy joints throughout the body. Furnishes a strong nutrient supply to support muscle flexibility.
3. The name of the dietary ingredient or supplement that is the subject of the statement is milk protein concentrate.
4. The brand names of the two micro-nutrients contained in the milk protein concentrate used in NuVim are LactoActin and LactoMune.

Each panel of the dietary supplement bearing the above statements bears the disclaimer required by 21 CFR 101.93(b) in the form set forth in 21 CFR 101.93 (c)(2). The required statements are in letters of one-sixteenth inch typesize and are placed on labels in accordance with the requirements of 21 CFR 101(d).

The undersigned hereby certifies that the information contained in the notice is complete and accurate, and that NuVim, Inc. has substantiation that the statements are truthful and not misleading.

Very Truly Yours,

Lawrence E. Hicks
Vice President of Regulatory Affairs
